

HERITAGE RESEARCH, LTD.

Michael T. McQuillen, M.S.

Project Historian & Project Manager

Education:

M.S. (Historic Preservation)
University of Vermont, Burlington, VT, 1998

B.A. (History)
College of the Holy Cross, Worcester, MA, 1993

Areas of Expertise:

- . Cultural Resource Surveys
- . Determinations of Eligibility (DOEs)
- . National Register Nominations
- . HABS/HAER Documentation
- . Tax Rehabilitation Credit Applications
- . Historic Preservation Plans
- . Interpretive Displays

Professional Development:

- . Consultant Training Seminar, Wisconsin Department of Transportation, 2003
- . "Tax Incentives for Developing Historic Properties," 2001
- . Consultant Training Seminars, Wisconsin Historical Society, 2000-2001

Experience:

Mr. McQuillen joined Heritage Research as a Project Historian in February, 2000. He completes Cultural Resource Surveys, Determinations of Eligibility for the National Register of Historic Places, Historic Preservation Plans and Assessment of Effects Documents. Further, he conducts condition and conservation assessments for historic structures, as well as prepares tax credit and other grant applications. McQuillen quickly assumed additional responsibilities at HRL, and now serves as a primary Project Manager.

Representative Examples of Major Projects Managed:

- . Cass and Nemaha Counties, Nebraska: Historic Resource Surveys and Contextual Development, 2003-2004
- . STH 60, Hartford, WI: Historical Resources Survey, Contextual Development and Determinations of Eligibility, 2003-2004
- . Metomen Street Reconstruction, Ripon, WI: Assessment of Effects Document, 2002
- . Marquette Interchange Reconstruction, Milwaukee, WI: Historical Resource Survey, six Determinations of Eligibility, Assessment of Effects Document and Nomination of the Pabst Brewery to the National Register of Historic Places, 2000-2003
- . Pioneer Building, Milwaukee, WI: Rehabilitation Tax Credit Project (Application Parts 1, 2 & 3), 2000-2001
- . Connector Project (Light Rail), Milwaukee, WI: Historical Resource Survey and Contextual Development, 2000-2001
- . Lake County Transportation Corridor Study, Lake County, IL: Historical Resource Survey, 2000

Representative Examples of Major Projects Assisted:

- . USH 20 and Potash Highway, State of Nebraska: Historic Resource Surveys, Contextual Development and Preservation Planning (for each highway), 2001-2002
- . USH 45 (Bridge Replacement Project), Eagle River, WI: Historic American Building Survey (park landscape and associated structures) and Historic Engineering Record Documentation (bridge), 2000
- . Soo Locks, Sault Ste. Marie, MI: Historic American Engineering Record Documentation, 2000

Other Projects: Managed or assisted many additional endeavors over the last years, including historic resource interpretive, survey and evaluation efforts.
